Umber Linea composite decking

LINEA COMPOSITE DECKING

15 YEAR WARRANTY

FSC www.fsc.org

UMBER
Linea
Composite
Decking

Our Linea decking collection is available in 5 colours, including the new Birch shade, and has a capped exterior protecting it from harmful UV rays, scratches and extreme weather. As with our other products, Linea is long lasting, low maintenance and sustainably produced using 95% recycled materials.

Each Linea deck board has its own distinct character through a unique colour streaking process that imitates natural timber and creates a truly individualised aesthetic.

NEW

BIRCH
Linea Composite
Decking

Linea decking offers a capped board with a traditional groove pattern to one side and a modern straight grain to the other for a choice between a classic or a more streamlined aesthetic.
